

Bruce Thomas To Lecture On Commandos

While many recent films have shown what the Commandos are doing, there is more appeal in hearing an intimate, first-hand report. Such a report will be given by Bruce Thomas, nationally known lecturer, at 8:15 o'clock Friday evening in the Women's University Club auditorium, Sixth Avenue and Spring Street.

Proceeds of the lecture, to be given under auspices of the English-Speaking Union, will be used for a badminton court at the Officers' Club, now being redecorated at the new clubhouse on First Hill.

Last year, when Mr. Thomas went to England as a seaman aboard a Dutch freighter in one of the largest convoys, he witnessed sinkings and rescues. Later he visited British underground shell factories, air ports and sea bases; talked with bomber crews just before takeoffs and spent three days with the Commandos at their base.

Miss Elizabeth Pitt will be chairman of the group of ushers for the lecture: The Misses Phyllis Rat-tray, Nona Stimson, Nancy Sundt, Betty Osborne, Madeleine and Audrey Waterman.

Mr. and Mrs. William V. Kelley of Spokane are guests of Mrs. Kelley's sister, Mrs. Thomas F. McHugh.
